### Annual and Transition Reviews

Many thanks to all those parents who attended the annual and pre-school reviews. We appreciate the time taken out of busy schedules. Thanks.

Thank You

Absence Communication

In order to ensure the safe arrival and hand-

over of all pupils to school, we would ask that parents contact school, by telephone, to report a pupil's absence or sickness. Please do not rely on the bus staff to forward this information, as they may not always be able to be in contact with school staff to pass this information on.

We appreciate your assistance in this matter.

### Sickness

To ensure the health and safety of all pupils, especially those most vulnerable, parents are asked not send pupils to school if they are acutely unwell or infectious. The advice of a GP should be sought regarding suitable periods away from school following certain illnesses and infections. Pupils should remain out of school for 48 hours after the last time they have experienced vomiting or diarrhoea. Thank you.

### Next Holidays

School will be closed from Monday 18 February to Wednesday 20 February and will re-open on Thursday 21 February 2019
